To Our Men Of Music,

The ultimate in imagination would be to imagine our bandroom without its beloved Mr. Thompson.

Typical of Mr. Thompson's day is this continuous striving for perfection.

Mr. John Thompson

For the many years that you, Mr. Thompson, have been a member of our faculty, you have worked faithfully to make the Band and Music Department worthy of the traditions of the school. Your place is high in the hearts of both students and teachers who have worked with you in this endeavor. As a director, a faculty member, and a friend, you have merited the respect, the admiration, and the sincere gratitude of your students and school associates.

We certainly are cognizant of the "extra miles" that continually keep you beyond the call of duty, and it is these "extra miles" that privilege the community to share in the enjoyment of music. It is pertinent that we voice the certainty that beautiful music is not born overnight. It is an art that developes, grows, and springs forth in full splendor because of the excellent direction that is afforded by men like you.

Mr John Thompson, our school is proud of you; we are proud that you are a part of us; and the exemplification of one such as you makes it fitting and proper that we dedicate to you the nineteen hundred and sixty-one GOHISCA.

We Give ...

Mr. George Trautwein

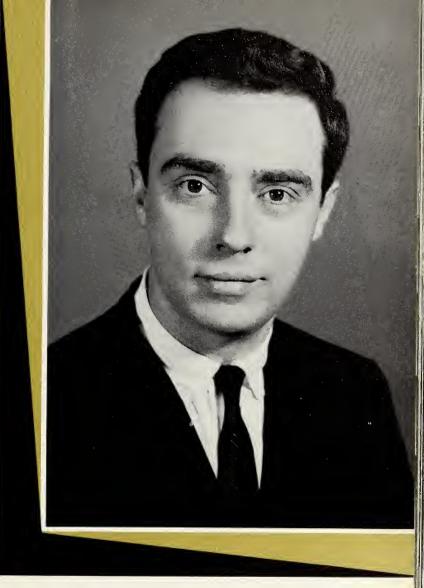

Mr. Trautwein, we know you and love you for the inspiration that you are at GHS. Your presence is manifest even before we reach the Senior High; we are indeed privileged to reap the benefits of your leadership while students here; and we are ever mindful of your continued glow even after we pursue the richness of life.

We know that the worth of your presence at our school is of such magnitude that we can not attempt to measure its merit. We do, however, extend to you the appreciation, esteem, and affection of all of us who are better young men and women because of you.

We have all sensed your loyal devotion to the Music Department and to the entire school, and we have witnessed and richly reaped the results of your many contributions of time and energy.

Your earnestness of mind and willingness of heart are so evident in your active support of any school-sponsored endeavor that words do not properly convey our love and appreciation.

To you, Mr. George Trautwein, we offer our most precious gift—the dedication of a year of work, a year of memories.

To give of one's self, day after day, surely merits reward.

A rare moment, indeed, is to catch Mr. Trautwein as he relaxes.

... This Dedication.

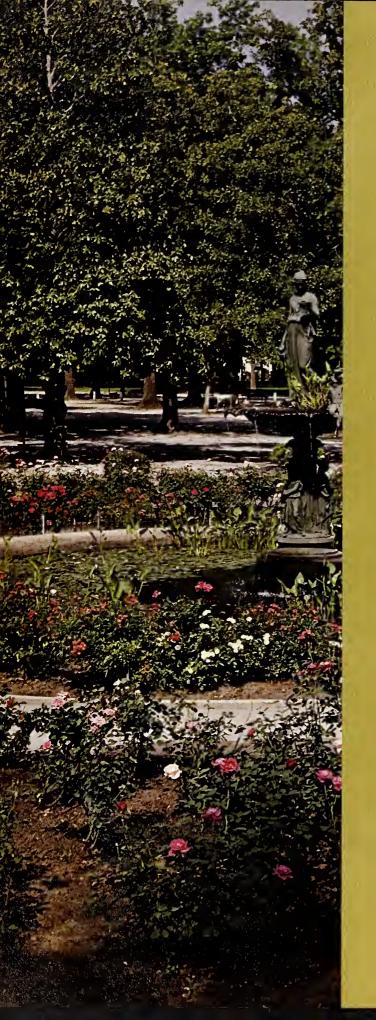

TOWARD NEW HORIZONS

Times change and the world moves steadily onward. At Goldsboro as day upon day passes, our knowledge is increased and numerous things are learned. We learn, among other things, to get along and live with others and to develop for ourselves an adequate pattern for a successful and happy life. Studies and extracurricular activites combine to make us well-rounded citizens. School spirit in action today helps to create the enthusiastic citizens of tomorrow.

Though times change and aspirations grow fonder, our Alma Mater continues to look TOWARD NEW HORIZONS.

Charles B. Aycock

1901—Governor of North Carolina—1904

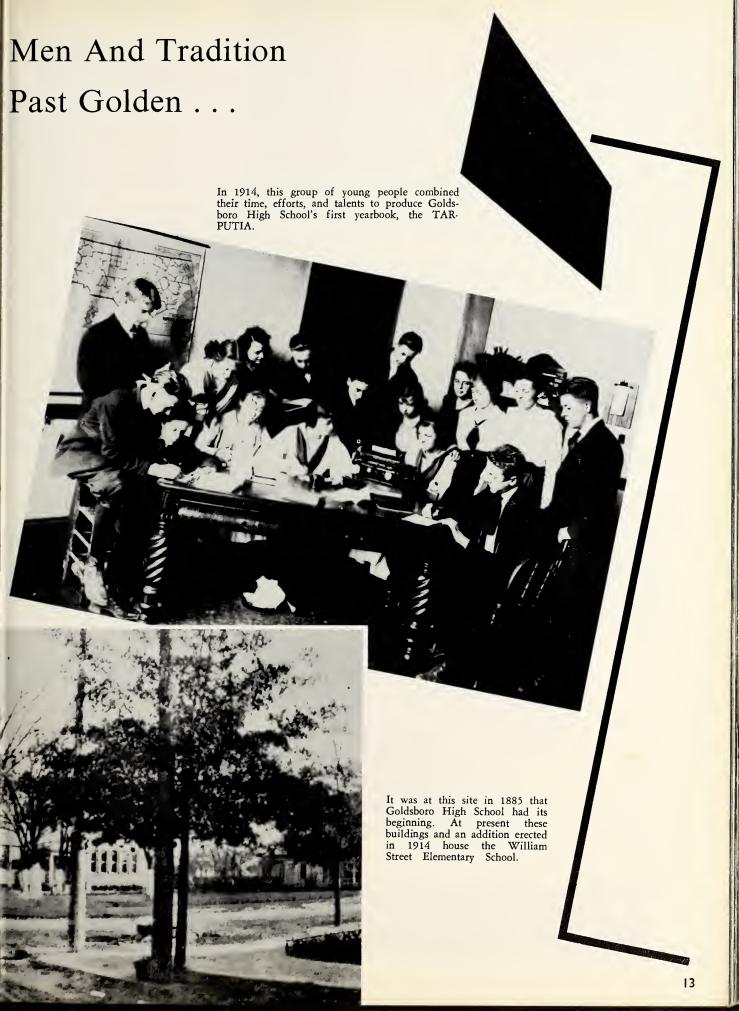

Governors are very instrumental in the educational growth of their states. During his lifetime, Governor Aycock showed considerable interest in the development and promotion of educational facilities in the state of North Carolina. Goldsboro, as well as many other communities, has benefited greatly from his high ideals and unusual foresight.

Where Deeds, Make The

After years of foresight and toil, outstanding men and women of this community gave birth to a high school in the year 1885. As was true with many other ventures following the Civil War, progress of Goldsboro High School began to flourish.

There began, at this period, a slow, but progressive, awakening of education in the state. Due to such interest and concern, our school began to expand and progress into the distinctive institution we know so well today.

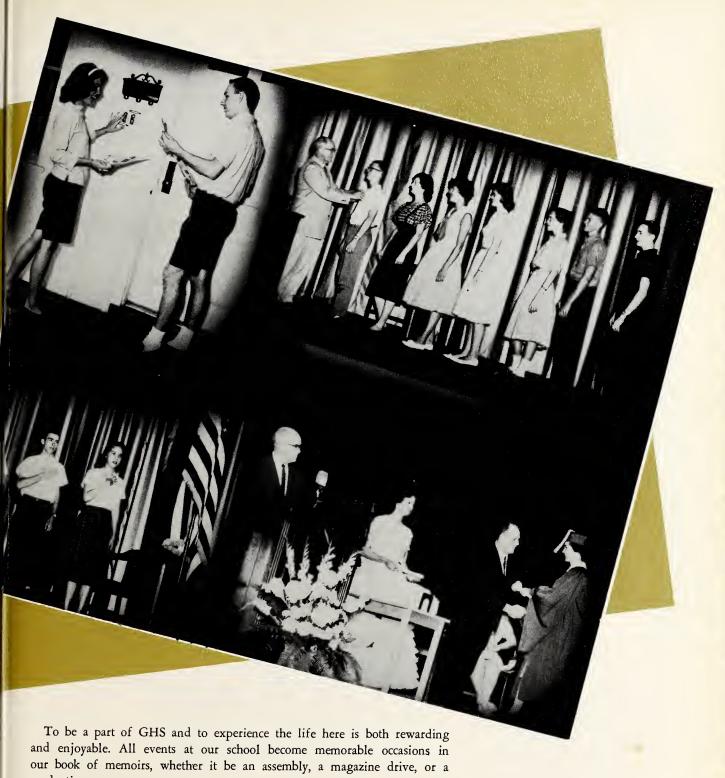

The present Goldsboro Senior High School building which was erected in 1927 proves to be quite an impressive picture. Since that time, however, two additions, a gymnasium and a west wing, have been added.

Miss America — 1960

When Lynda Lee Mead, Miss America of 1960, visited our campus last year for the Miss Goldsboro Pageant, she was given a most enthusiastic welcome by our student body. For this reason, she was chosen to judge our GOHISCA Queen competition.

To be a part of this growing and developing institution is indeed an honor and privilege, as well as a pleasure. One would never know the true meaning of Toward New Horizons without experiencing the eagerness, hope, and dedication of students here at Goldsboro.

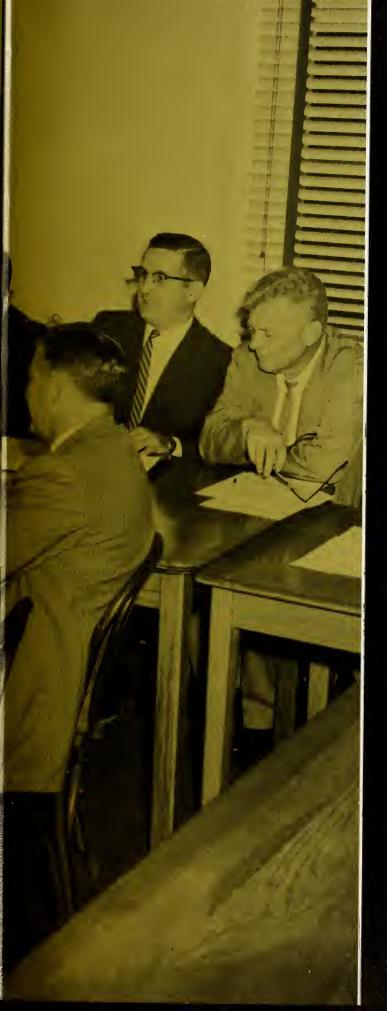

Puzzling over the problems involved in setting up a Math Club, Miss Mixon and Miss Flanagan are doing their best to make this new organization a success.

After serving GSHS for thirty-six years, surely Miss Ipock deserves the high praise she is receiving from our principal, Mr. C. W. Twiford. It will indeed be a sad day in June, 1961, when our beloved Math teacher retires.

Dr. N. H. Shope Superintendent

When the growth of our schools' cafeteria programs demanded immediate central planning in 1960, Mrs. Bessie Coalson was selected to supervise and have charge of all cafeterias in the city system.

Goldsboro City Schools Administration

Guiding the entire city school system, as well as the High School, in an expert and efficient manner, the Goldsboro City School Administrative staff endeavors to advance the importance of education to the younger generation.

Under such capable leaders as Dr. Nathaniel H. Shope, Goldsboro schools have made unlimited progress in almost every field of education known.

Continually adding needed members to its already large staff, the Goldsboro Administration is looking for a much brighter future in educational development in this school system.

Active is the word for Mr. Henry Cole. Serving in the position of Administrative Assistant, he is forever on the look-out for jobs that call for his assistance.

The responsibility of keeping our school—the machinery of education—running smoothly and efficiently lies in the hands of our beloved principal, Mr. C. W. Twiford. Without his many efforts and ceaseless devotion to his duties, this institution of learning could never have progressed as it has.

Goldsboro Senior High has always stood out in the field of education; and as long as it remains in such capable hands, it will continue to do so.

Senior High School Administration

A favorite of the teachers and students, alike, Mrs. Elsie S. Davis is constantly looking for news ways to improve our school cafeteria.

Goldsboro Board Of Education

Consisting of nine outstanding members of this community, the Goldsboro Graded School's Board of Education plays a significant part in the administration of the Goldsboro Senior High School. No matter what the situation, the best for Goldsboro is utmost in the minds of the ladies and gentlemen who constitute this school board.

Each month, the board members meet, along with the superintendent, Dr. N. H. Shope, and matters pertinent to the education of the students in the city system are discussed, considered, and acted upon, accordingly.

To each one of these men and women who have contributed so greatly to the educational facilities of our schools, we owe a vote of confidence and appreciation.

English Department Tends To Spur On

Mrs. Balkeum supervises as Phyllis Helms plays short story records for the class and a student-teacher.

To create a better understanding of our English language, the English Department teaches the students the basic grammar rules, as well as other essential knowledge.

This year, pupils may take two hours of English since courses in Literature and Composition have been added.

To increase the vocabulary of all students; to develop skill in writing and speaking; to stress correctness in grammar and punctuation; to teach appreciation of our heritage through literature are the objectives of this Department.

Also included in the English Department are the courses in printing, radio, and dramatics.

Radio rehearsals such as this are held prior to the programs presented by this Department.

Numerous reports are given in Miss Hatley's English classes so that students may listen and learn to take notes.

The Director of the Goldmasquers and a teacher of radio and drama, Mr. Britton, received his A.B. Degree after attending East Carolina College and the University of North Carolina.

A well-known Senior English teacher, Miss Grant, attended Woman's College, the University of North Carolina, and William and Mary and received her A.B. Degree. She also teaches Creative Writing and U.S. History, but she still finds time to advise the Student Association.

A teacher of Junior English, five classes a day, is a newcomer to our school, Miss Hatley. She attended Flora MacDonald College and the University of North Carolina. She has obtained her A.B. Degree and is presently working on her Master's.

A teacher of Junior and Senior English and also U.S. History, Mrs. Powell, attended Brenau College, the University of North Carolina, and Columbia University and obtained her M.S. Degree.

Advisor of our Hi-News Staff and teacher of printing and Journalism tends to keep Mr. Roberts busy. Mr. Roberts received his M.A. Degree after attending Wake Forest College and various other colleges to do graduate work.

Advisor to the Junior Class and Latin Club and a teacher of English and Latin tends to require most of Miss Simpson's time. She is a graduate of Duke University and received her A.B. Degree there.

Mrs. Ward received her A.B. Degree from Meredith College. A teacher of Sophomore English, she joined the faculty in 1957.

Printing, under the supervision of Mr. Roberts, is both an interesting and beneficial subject.

Mrs. Autery and her students enjoy, quite often, the relaxation of the library.

Gaining Needed Experience

Providing opportunities for students to gain the experience, which serves as a means of meeting day-by-day needs, is the main objective of the courses taught in the Vocational Education Program. With a great many advantages to offer, the Department is divided into the following programs: Home Economics, Industrial Arts, Distributive Education, Diversified Occupations, and a new one conducted at the newly formed Industrial Education Center.

Students who select courses from these groups are taught numerous things one would not otherwise have received. Only a few of these are selling hints, grooming procedures, civic intelligence, and many physical skills.

Continuous Strive For Accuracy In Business Procedure

Playing a vital role in the over-all curricula, not only for the business-minded student but also for the student desiring to advance his education beyond the high school level, with the primary purpose, of training and preparing students effectively for any practical clerical or stenographic position is the Business Department at Goldsboro High School.

With the aid of three certified teachers, four Typing I classes are taught, one Typing II, two Bookkeeping I, two Shorthand I, one Shorthand II, two General Business, and three Business English classes are taught.

Typical of a day in Typing is Annette Davis as she cleans her typewriter.

The Study Of Foreign Languages Develops Culture

Endeavoring to teach foreign languages, the faculty members of this Department keep these aims in mind: To hand down in turn to their students a comprehension of the present; to help the students understand themselves and the world in which they live; and to aid them in preparing for a democratic way of life.

Numerous extra classes and additional courses have been added to this Department as of this year. Included in this category is the addition of a course in Spanish II.

Our Social Science Department functions with the ultimate purpose of teaching its students to understand the problems of the past in order to prepare them to live in their present environment. A famous philosopher once said, "To know nothing of the past is to understand little of the present and to have no conception of the future."

The faculty members of this Department, in co-operation with the Student Association, sponsored a "mock election" during the presidential campaign year, 1960. One purpose for this election was to teach the students to think for themselves and to evaluate what they see, hear and read daily.

This illustrative bulletin board is being explained to Miss Howell and her World History class.

Hour after hour, day after day, our Librarian is faced with the task of straightening magazines. The library, of course, is in constant use.

Library And Guidance — Essential Parts Of The School

Essential to the entire student body are the Departments of Library and Guidance. The Library, which is a depository of all the accumulation of men's knowledge, is most efficiently run by our school librarian, and is aided by the Library Committee, Club, and student assistants.

Not to be forgotten is our Guidance Program, which is headed by Miss Margaret Kornegay. Serving the entire city system, as well as the high school, the program strives to strengthen and enrich the educational opportunities of school and community.

Miss Margaret Kornegay helps Elaine Bartlette, a senior, with her problems, as she helps any other student.

MARGARET ERTEL

Our librarian and also a teacher of Library Science, Mrs. Ertel still finds time to advise the Library Club and the Library Committee. After attending Salem College and various other colleges to do graduate work, Mrs. Ertel holds her A.B. Degree and her M.A. Degree.

MARGARET KORNEGAY

As Guidance Counselor to G.H.S. students, Miss Kornegay has a full schedule every day. She has an A.B. Degree from Duke University and holds her M.A. Degree from Columbia University.

Both the choral and instrumental students combine their talents to see just what they can come up with.

Music And Rhythm Add Color

Offering a varied program which attempts to meet the needs of all persons interested in music, the Department possesses two excellent teachers, Mr. George Trautwein and Mr. George Thompson. The entire Music Department, both choral and instrumental, in co-operation with the Goldmasquers, is working extremely hard this year to present, to the public, "Oklahoma," formerly a Broadway production.

Both the Band and the different choruses have greatly contributed to the enjoyment of Goldsboro High students. It is indeed a privilege to be able to experience the color and pomp of precision marching or the enjoyment we would receive from performances such as "H.M.S. Pinafore" or various community concerts.

Alertness On The Road

With the ultimate purpose of developing the students' ability to operate automobiles safely and efficiently, Drivers' Training at Goldsboro High School is taught in two phases. The 'classroom' phase, taught each morning, is under the supervision of Mr. Sanderson, whereas the "behind-the-wheel" phase is taught during the summer by both Mr. Sanderson and Mr. Markham.

In the fall of 1960, the GO-HISCA Staff sponsored the selection of a yearbook queen to reign over their festivities in the spring. Beginning with one girl from each of the homerooms, the class councils chose the semi-finalists, which included two girls from each of the three classes. Portraits of these lovely young ladies were sent to Miss Lynda Lee Mead, Miss America 1960.

Judging on facial beauty alone, she selected the GOHISCA Queen for 1961. From the remaining five, she chose a Sophomore to represent the Sophomore Class; a Junior to represent the Junior Class; and a Senior for the Senior Class.

The king and queen for Stunt Night, 1960, were Walker Nolan, king, from the class of 1961, and Fran Garris, queen, from the class of 1962. Their attendants were Cy Campen, Borden Parker, Bill Shirley, Hank Brown, Kathy Morrison, Sue Fox, Jane Ward, and Rosemary Thompson.

Recalling their first days of school, the 1962 class presented their stunt "School Days."

Found in the forest among mushrooms and match boxes, the class of 1961, disguised as leprechauns and pixies, had their feast.

— Stunt Night — Most Successful Ever!

Stunt Night was begun in 1950 for the purpose of raising money for scholarships to be awarded to members of the National Honor Society upon graduation from Goldsboro Senior High School. In 1955, due to the growth of the scholarships, students other than N.H.S. members were allowed to receive help if recommended by their teachers. Over \$3,000 was raised for Stunt Night this year, the most in the history since the beginning.

Each class presents a stunt graded on participation, neatness of scenery, and the plot of the stunt. Much enthusiasm is shown by each class as to who will win seats for selling the most tickets, collect the most money, win the king and queen, the song, the stunt, and most of all, Stunt Night.

The Tiki God, which was characteristic of the Junior-Senior theme, sat peaceably and reigned over the festivities of that memorable week-end.

— Junior-Senior —

South Pacific Success

On May 6, 1960, after weeks of planning and "hard work," the Class of '61 entertained the Class of '60 at the traditional reception and dance—Junior Senior. With the chosen theme, "South Pacific," the Juniors began, and, in the end, were repaid by the success of the endeavor.

Complete with a name-band and exquisite decorations, the dance was the huge success everyone was anticipating. Festivities did not conclude with the prom; for the fun, the excitement, and the gaiety continued throughout the week-end.

People, people, and more people were on hand to see our "South Pacific" come to life.

Entertainment such as this was applauded enthusiastically by the huge crowd of students and teachers attending.

Headed by Gale Wilson, a member of the present Sophomore Class, the hula dancers became one of the highlights of the evening.

Making plans for the big event are Karen Moore, Nikki Wilson, Jenny Ellis, and Pat Griffin.

B-E-A-T KINSTON was repeated by the excited and en-thusiastic crowd at the home-coming game. The Earthquakes did their best to swallow up the Red Devils and came out with the closest game of the season. The alumni were many of those that yelled louder and louder as game time ticked away.

Homecoming always gets off to a big start with the bonfire held on Thursday night. Here, all urge the football team to victory for the oncoming game.

Game, Dance, Reunion — . . . Homecoming

During the anticipated half, the Varsity Club brought forth their chosen sweetheart. Intermixed crying and happiness were shown by Vickie O'Tuel as last year's sweetheart, Eleanor Best, placed the crown on her head.

Highlighting homecoming was the annual dance held Saturday night.

ACTIVITIES

There are so many wonderful things that transpire during a year at GHS that we, the students, are really fortunate to be a part of them.

Can't we remember the times we had 'way back in the early fall when we were trying to reach the \$11,000 goal in the magazine drive. We made it and more, too. One drive followed another, and we soon began driving into the football stadium for the conference competitions.

... Cherished ...

... Highlights Of '60-'61 ...

January, and naturally, study was constantly one of those "time-takers."

 During the hustle and bustle of activities, we remembered the pleasure of giving to those about us in need. Thanksgiving baskets were prepared and distributed to many throughout the community.

Then came the seasonal basketball, the Christmas social, and the 3.30 bell on December 16—Christmas Holidays

At 9 o'clock, December 28, we were happily faced with the annual stunt night project and began plans to raise more scholarship money than ever before.

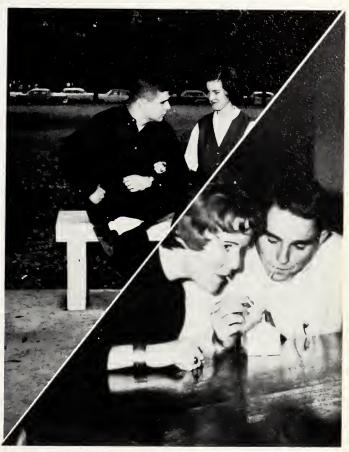

. . . And The . . .

. . . Memories . . .

As usual the Varsity Club Dance was an event of unsurpassed beauty. It came at a time when the Junior-Senior was much on the minds of — well — the juniors and seniors.

Included in the present prayers of the GHS students are hopes and dreams of excellent final exam grades. All is over for seniors in their high school careers. Now it's graduation; then, new faces, new places, and new friends.

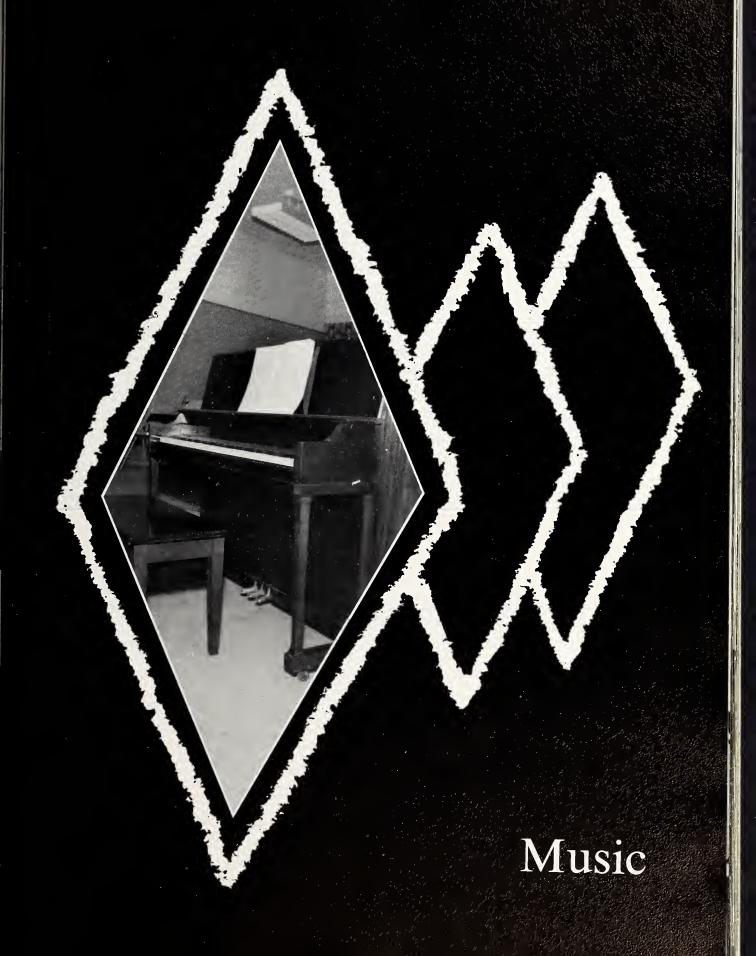

All and more in a year at Goldsboro Senior High School—

Challenging And Growing Chorus Strives

Meeting each day as a scheduled class does, the Goldsboro High School Mixed Chorus is frequently called on to perform at different school, civic, and community functions. As a result of all these participations, the name of the Mixed Chorus has grown throughout this area. The chorus has become known as a very hard-working, disciplined, and talented group of students. A concert tour to neighboring towns has been planned for the spring, along with the presentation of a big musical.

A select group of student musicians, the A Cappella Choir, meets before and after school for rehearsals. This group of interested young people traveled to Greenville for the district contest last year and won the rating of superior. They are planning to attend again this spring. This year marks the third presentation of Gian Carlo Menotti's opera "Amahl and the Night Visitors." The A Cappella, like the Mixed Chorus, performs in the community, on various occasions.

The Girls' Chorus of Goldsboro Senior High School has contributed in operettas of the past, not only vocally, but has assisted with costuming. The main objective is to gain vocal prowess so that the members may become assets to the Mixed Chorus and A Cappella Choir.

Dreams Of The Advisor Become A Reality

After many months of dreams, the planning of Miss Martha Sue Flanagan became a reality. This newly formed club has as its purpose the encouragement of students to study and participate in as many math courses as offered at Goldsboro High.

Due to the enthusiastic interest of the club members and their advisor, it is becoming one of the most active • organizations in our school.

However, the plans for the near future include assisting teachers in the lower grades, therefore, giving the students a chance to get the experience they need.

Our Student Association Council is the governing body of the GSHS student activities. Its members include one representative from each of the homerooms, various committee chairmen, class vice-presidents, and S.A. officers. The links between council and the students are the homeroom representatives, elected bi-annually. They are chosen on the basis of leadership, character, and the ability to report correctly, to the students, all transactions within the council. Through the S.A. Council, the students may have a voice in policies of the school.

Student Association Prayer

Almighty Father, Author of Truth, Giver of Wisdom, the Great Teacher of us all: Let us be aware of Thy presence and obedient to Thy will. Keep me true to my best self, guarding me against dishonesty in purpose and in deed, and helping me so to live that I can stand unashamed and unafraid before my classmates, my loved ones and Thee. Protect those in whose love I live. Give me the will to do the work of a man and accept my share of responsibilities with a strong heart and a cheerful mind. Make me faithful to my duties and mindful of the traditions of the school of which I am a part. If I am inclined to doubt, steady my faith; if I am tempted, make me strong to resist; if I should miss the mark, give me the courage to try again. Guide me with the light of truth and keep before me the life of him by whose example and help I trust to obtain the answer to my prayer, Jesus Christ our Lord.

The Christmas Social, which is only one of the many social events sponsored by the S.A., was the most successful "in many a year" and was enjoyed by all who attended.

Student Association . . .

Each year the Student Association of Goldsboro Senior High School sponsors a number of activities that help to make it one of the most active in the state.

This governing body has a number of very active committees, who, in addition to the council, are continually looking for ways to better the school and community through its activities.

Sponsoring a foreign-exchange student is one of the greatly missed activities of the S.A. However, the '60-'61 council has worked diligently to "re-spark" the student interest in this exchange program. Plans are at present that the Student Association will sponsor a student for the coming year.

Our traditional magazine drive is also sponsored by the Student Association. Macon Remsburg and Steele Dewey look on as Louis Franks shows them the many prizes available for outstanding salesmen.

Many trips such as this are taken by members of the council who serve as delegates.

In the Spring of 1960, the Student Association, in cooperation with the administration, decided to award and honor students who excelled in scholarship. Due to this concern of the two groups, scholastic "G's" are presented to persons who make the honor roll.

Again this year, the S.A. Council decided to create interest in the beautification of the rooms by having a contest with the Christmas decorations. And again, Miss Simpson's room was in the top three. Mrs. Williamson's room took first-place honors.

Authorized by the council, the Calendar Committee was in charge of getting Christmas holidays extended. Chairman Tony Bowen and committee member

Mr. "B"

Mr. Britton, our director, is loved, admired, and respected by everyone who has ever worked with him. His work during the past nineteen years has brought fame to the Goldmasquers. This fame is important to Mr. "B.", but not so important as the young men and young women who have passed through his department. Each has a special place in his heart.

Composed of the officers and the chairmen of all committees, the main objective of the Goldmasquer Board is to elect new members who have met the necessary requirements and to carry on any other business which may come up.

In order to be eligible for membership in this outstanding theater group, one must excel in dramatics and have earned a minimum of twenty points.

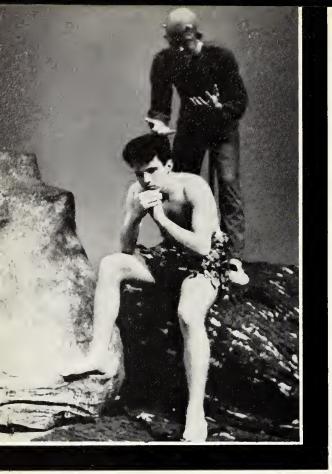

Among the board's achievements for the '60-'61 year have been the improving of the point system, the purchasing of a new sound system for the radio workshop and auditorium, and the sponsoring of the selection of a Goldmasquer Queen.

Goldmasquers Present Show Time

"Man, you are more powerful than He is." This is indeed a memorable scene from "God's Test Tube."

Drama Provides Entertainment

Written and directed by Mr. Britton, "God's Test Tube" is the most controversial script ever produced on the Goldsboro Senior High Stage. This fabulous production is the story of God and his problems with man in an atomic age.

"Towards Zero" has every bit of Agatha Christie's full-pack thrills. This thrilling mystery, set in England, has its triangle-murder and the suspicions point to all, with only a few clues to consider. Yes, this "Who did it" is a typical Christie play with all its tense excitement and surprise ending.

Truly, these productions, and others, provide many hours of entertainment for this community.

"I know they will take my son and kill Him."

"God gave to Moses, the Ten Commandments."

God's Test Tube

"You didn't think I'd come back, did you, Audrey?" Brad Weisiger and Corinne Bridgewater did a superb job with their parts in "Towards Zero." This was evidenced by their receiving the awards for Best Actor and Best Actress.

"Are you coming, Neville?" Jenny Ellis in the part of Kay, the second wife, did one of the greatest acting jobs that anyone has seen in a good many productions.

"I couldn't have done it." Both Jimmy Vinson and Langhorn Bell were suspects in this thrilling story by Christie.

GOHISCA...

For the thirtieth year, students of Goldsboro Senior High School have had the wonderful experience of capturing in pictures and copy, the memorable highlights of their school year. I feel extremely fortunate to have been given the opportunity of editing your yearbook.

The year 1960-1961 has been a hectic one for the entire staff, and needless to say, there were times when "other things" had to be forgotten. We were forced to concentrate solely on our 1961 endeavor. To the numerous persons who have been patient with us and who have been instrumental in publishing the 1961 GOSHISCA, I am indeed grateful.

As the last pages go to press, I begin to reminisce over the many yearbook pleasantries—forgetting forever, the unpleasantries—hoping that our many combined efforts will be the source of pleasantly reminding you of your year at GSHS.

Jinxed Quakes Are Proof That The Scor

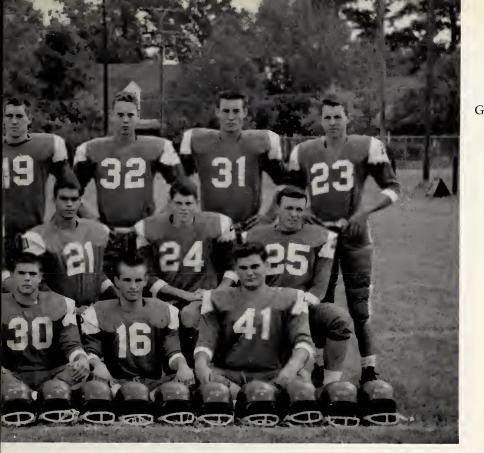

Undergoing their first year of a rebuilding program under a new coach, Gene Causby, and an assistant, Gerald Whisenhunt; and hit hard by injuries and ineligibilities, the Goldsboro High School Earthquakes suffered a disastrous and humiliating season. The loss of important beginning games, in addition to the homecoming game, gave the team a psychological set-back, hard to overcome.

However, our heroes—win or lose—displaying a never-say-die spirit, went on to play the game and to play it so well that even in defeat they drew praise for a fine showing.

The visiting Red Devils of Kinston edged the Quakes from a near-first win of the season by registering a few extra points during the second half of the local homecoming game. Although it too was a defeat, this game is noted as being one of the most exciting in many a year.

Basketball fortunes skyrocketed once more, as has been the custom in the past for the GSHS cagers, under the tutelage of Coach Charles Lee.

In times of winning and in losing, which was very seldom, our Varsity team showed enough desire, sportsmanship, and stamina to rate among the best basketball teams of eastern North Carolina. These Quake cagers showed early season wins over conference rivals such as Raleigh, Fayetteville, and Jacksonville. Each game gave them bigger hopes for that coveted championship.

The Baby Quake Cagers were also blessed with a highly successful season. With many wins and very few losses, each player played with the spirit, fortitude, and desire that has given the J.V. Basketball Team a winning tradition.

Our basket for two additional points.

The Varsity Basketball Team is composed of Don Edens, Bryan Haskins, Johnny Gardner, Warren Walters, Willie Arant, Lloyd Turlington, Edgar Strickland, Hal Stewart, Charles Woodard, Ray Stallings, and Manager Royce Walters, kneeling.

1961 Baseball Team

Included on the Baseball Team are—Front Row: Bill Starr, Jack Probeck, Danny Butts, Danny Southerland, Wayne Jones, Steve Kearney. Middle Row: Johnny Koonce, DeLeon Sasser, Bobby Powell, Mike Parrell, Joey Franklin, Jimmy Bahen, Johnny Coley. Back Row: Coach W. C. Sanderson, Cooper Howell, George Newsome, Wayne Bailey, Eddie Gomez, Hal Stewart, Don Brantham, and Coach Gerald Whisenhunt.

Looking Forward To Record Year

With cries of "take me out to the ball game," the Goldsboro High School Baseball Team will begin its '61 season this spring. After enjoying a satisfactory season last year, we have reason to expect even better this year. Coaches "Sandy" Sanderson and Gerald Whisenhunt are training their boys to bring us many, many wins for this upcoming season.

In addition to returning lettermen, the '61 Baseball Team has a number of potential star players.

Pictures indicate that the coaches really have good material to work with

Golf Team members are Danny Tractenberg, John Parker, Bobby Freeman, Harry Muir, Steve Clark, John Miller, Jim Griffith, Tommy Wooters, Walter Miller, Frank Wilson, Parrish Blair, Bobby Baum, and Bill Reauwein.

High Hopes For That Once-In-A-Million Hole-In-One

Though the golf program is relatively new at Goldsboro Senior High, it is growing by leaps and bounds. A record number of boys went out for the team, and under the capable leadership of Coach Gene Causby, an excellent season is expected and hoped for.

For the most part, the golf games take place on the Goldsboro Golf Course.

Returning letterman Bobby Baum putts for a "birdie."

Tommy Wooters demonstrates his "driving" skill to fellow-teammates Frank Wilson and Walter Miller.

Members of the 1961 Tennis Team are Bobby Barbara, Harvey Monk, Jimmy O'Twell, Ray Stallings, Ronnie Davis, David Howell, Alan Weil, Kay Stallings, Tony Worrell, Jimmy Whitmer, Lindsay Pratt, Buddy Jordan.

Local Team Boasts Of Championship-Winning Member

Buddy Jordan congratulates Lindsay Pratt on a match well-played.

Tennis team members Kay Stallings and Alan Weil warm-up for that all-important game to follow.

Orchids to our tennis team for presenting us with a no-loss record for the '59-'60 season. The team has gone undefeated for thirteen straight matches.

Our own Buddy Jordan won the Sandhill Invitation championship this past summer, and Alan Weil and Ray Stallings were semi-finalists in the North Carolina State High School Doubles.

Members of the student body, as well as the tennis team, itself, are anxiously awaiting another successful season for '61.

Ricky Dunlap demonstrates pole vaulting to Walker Nolan and other team members.

Pole Vaulting, The Discus, And The 100-Yard Dash

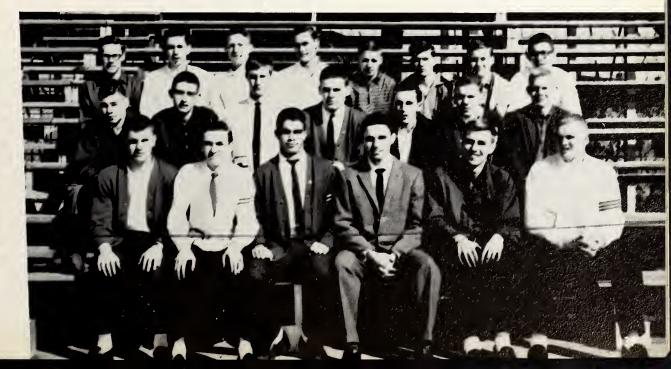

The track team, coached by Gerald Whisenhunt, is looking forward to a successful spring season in 1961. Pole vaulting, the 100-yard dash, and throwing the discus are all essential parts of the track team's activities.

Interestingly, a boy doesn't have to be extremely tall or heavyset to enjoy and to make worth-while contributions to the track program. The representation that this team makes for GHS is highly esteemed.

Team members cheer Jimmy Deason and Walker Nolan on to a Victory.

First Row: Jay Derby, Giles Lippert, Jackie Kannon, Coach Wishenhunt, Walker Nolan, Warren Walters. Middle Row: Bo Henderson, Harry Null, Bobby Watkins, Ogden Parker, Bill Lane, Billy Wade, Frankie Grant. Back Row: Ricky Dunlap, Jimmy McLawhorn, Charles Zubarick, Warren Johnson, Ricky McLawhorn, Jimmy Whitmer, Julian McMillian, Jimmy Deason.

The match with Salisbury was one of the more memorable ones.

Co-Captains Stuart Clarke and Rex Teaney demonstrate.

No matter what your height and weight, there is sure to be a place for you on the Goldsboro Senior High Wrestling team. Coaches Gene Causby and Bill Kemp have really worked with the team and their efforts have been rewarded with several wins.

With top records to beat and handicapped with fewer wrestlers this year, the Goldsboro team is working extremely hard to become one of the best wrestling teams that GSHS has ever experienced.

Our hats go off to this hard-working group of boys and the fine way they have represented us.

Wrestlers Battle To Uphold Former Standards

WRESTLING TEAM—Front Row: Bobby Powell, Tommy Farmer, Joe Nasseff, C. J. Hines, Steele Dewey, Jimmy Whitmer. Middle Row: Rex Teaney, Stuart Clarke, Billy Wade, Bill Lane, Mike Riley, Lindsay Pratt. Back Row: Coach Bill Kemp, Jackie Kannon, Richard Pascoe, Jerry Tractenberg, Harry Muir, Melvin Johnson, Danny Barber, Coach Gene Causby.

Boys' games, which are played at 3:45 p.m. on Tuesdays and Fridays, prove to be as exciting as the interscholastic games, on numerous occasions.

Basketball Provides Spirit And Competition Among Intramural Teams

Goldsboro High's intramural program, sponsored by the Student Association, has been highly successful this year, providing a means of using athletic talents which cannot be used on the Varsity and Junior Varsity squads. The intramurals provide the needed outlet for our more energetic and athletic students.

Girls, as well as boys, enjoy the benefits that one receives from this participation on Tuesday and Thursday afternoon.

Perhaps this program is developing future Varsity cagers.

Female basketball games such as these provide the "other sex" with the needed outlet for their spirit and competition.

Under the supervision of Coach Whisenhunt, who is aided by the services of Tommy Kearney and Bill Capps, these afternoon athletic functions can be just as stimulating and enjoyable as the varsity games.

Varsity Club

With the main objective of promoting sportsmanship at athletic events, the Varsity Club is composed of boys who have earned a letter in a major sport and have been voted in by the other members. The organization has and upholds many high ideals and does not tolerate poor conduct on the part of its members.

The organization sponsors the selling of concessions at the basketball games, the Varsity Club Sweetheart, and the Dance in the Spring, which honors the Sweetheart. The Varsity Sweetheart is crowned during colorful half-time ceremonies during the annual Homecoming game. She is featured in the Features section of this book.

Also, the Varsity Club supervises the awarding of the Mansour and Weathers trophies.

Varsity Club Prayer

When the score stands against me and there seems little chance to win, when there is a whole half to play and I am hot and tired and sick at heart; then I pray, Divine Comrade, for strength to play the game. It is easy enough to play when I am winning, when I feel fresh and there are no odds against me; but when things are going wrong and I am tempted to cheat, to gamble, or to quit, then I need Thy help. I want to take life as a game and play it fair and hard. To do this, I need some strong leader, so I pray that Thou will always be with me. When I am cowardly or tired, or baffled, give me the sense that Thou art by my side, telling me how to plan my way and giving me the courage to keep on. Be with me in the contests of today and all through life's courses. Amen.

Vickie O'Tuel was crowned Varsity Club Sweetheart at our homecoming game this year by Eleanor Best, Sweetheart of 1959.

A Part Of Us

Jemesfer Gail Smith

When he is sent to summon those we love,
But all God's angels come to us distinguished.
Sorrow and sickness, poverty and death,
One after other lift their frowning masks,
And we behald the senapli's face beneath,
All radiant with the glory and the salm
Of having booked upon the front of God.
With every anguish of our earthly part.
The spirit's sight grows clearer, this was meant.
When Jesus touched the blind man's lids with clay.
Life is the jailer, Death the angel sent.
To draw the unwilling bolts and set us free.

Junior Class Song

The Juniors of Goldsboro High School are we:
Our class we'll remember where'er we may be
To our dear school we will always be true
We'll strive to do right in whatever we do
The Juniors are singing
Our song we are bringing
To Goldsboro High School
The first and the best
To do our best then better
Is what we will endeavor
We hope the class of '62
Will stand o'er the rest.

The Junior Class is very proud of its bulletin boards. Here, two juniors fix our bulletin board.
